3 days Queen Elizabeth National Park

Day 1. To Queen Elizabeth

Early in the morning you will be picked up by our driver/guide from your accommodation in Kampala or Masaka to start your journey to Queen Elizabeth National Park. Queen Elizabeth is Uganda's second biggest national park being 1978km². Its fertile grounds located at the footsteps of the Rwenzori Mountains and its notable water bodies Lake Edward and Lake George, have made it the best park for wildlife to be and live. The astounding game in Queen Elizabeth national park include; Lions, warthogs, herds of buffaloes, Uganda kobs, leopards water bucks and more others animals. Having arrive at the beautiful Lodge, there is enough time to relax and take lunch. Having relaxed and cooled down from your journey, in the evening you will have your first game drive through Queen Elizabeth National Park.

Day 2. Queen Elizabeth

Early in the morning at 06:30, you will start with a game drive in Kasenyi plains in Queen Elizabeth. As just on time, mornings and evenings are rewarding in away that you meet in action with the sunrise and sunset respectively. And more so that wildlife is most active during those times. After the morning game drive, you will drive to the peninsular (Mweya) driving via the

channel track where you expect to meet thirsty elephants and buffaloes crossing just few meters from your safari vehicle. On arrival, just in time for lunch. After lunch you will go for a boat safari on the Kazinga Channel which joins Lake George and Lake Albert. The channel attracts a varied range of animals and birds with its banks lined with hippos, buffaloes and elephants and huge crocodile. Boat safari will take 2 hours. After the boat safari you will be going to the beautiful fauna and flora which is known as the crater/nature drive.

Day 3. Back to Masaka, Kampala or Entebbe

In the morning, you will be heading back to the park for the last game drive in the mighty Queen Elizabeth N.P. After that you will start the journey back to Masaka/Kampala or Entebbe.
